Max Brem, Frances Chan, Liette Gilbert, Steven Hermans, Janet Morrison, David Morley, the Eco Art and Media Festival Organizers: Allison Bottomley, Leah Burns and Nikko Snyder, and the Faculty of Environmental Studies, York University.

UnderCurrents is an independent non-profit journal of critical environmental studies.

We publish creative and critical writing, artwork, and photography that explore relationships between nature, society, and self. We openly and explicitly provide space for discussions of 'environment' which challenge the conventional boundaries and assumptions of academic and environmental discussion. *UnderCurrents* is produced by an editorial collective which employs a collaborative editing, design, and distribution process to support the publication of every issue.
