

UnderCurrents

Journal of Critical Environmental Studies Volume 7 \$5

The Politics of Natural Space

Founded in 1988, *UnderCurrents* is an independent non-profit journal dedicated to the publication of critical work that seeks to break down and challenge Western ideas and concepts of "nature". Produced by graduate students at the Faculty of Environmental Studies at York University, it publishes work of students, cultural workers, and people theorizing or contesting the politics and culture of "nature".

See inside back cover for information on guidelines for submissions.

1990 Nature, Culture, Self

A note to professors and other educators: If you find information in this journal which you would like to share, please do not duplicate the articles included here. Please purchase copies of the journal. *UnderCurrents* is a very low-budget, student run endeavor and every unauthorized duplication from this issue threatens the existence of the next issue. THANKS!
